

Assessment Structure : Academic Year 2026 -27

Class - V

The evaluation process for the **academic year 2026-27** has been thoughtfully designed to ensure a comprehensive and continuous assessment of students' progress.

There will be **no formal examinations**. Instead, **regular assessments** will be conducted throughout the year to track learning and understanding to prepare the **consolidated results**.

Evaluations and Promotions criteria:

Students will be evaluated and promoted to the next classes based on their regular performance in academics and extra curricular activities.

Emphasis will be placed on the following areas:

Regularity

- ♦ Timely completions of notebooks and assignments.
- ♦ Consistency in meeting academic deadlines.

Classroom Engagement

- ♦ Active participant in classroom discussions and activities.

Self-Expressions and Confidence

- ♦ Ability to express thoughts clearly and confidently in written forms.

Manners and Etiquette

- ♦ Demonstration of polite behavior and respect towards peers, teachers and staff.

Attendance and Discipline

- ♦ Regular attendance and adherence to school rules.

English speaking skills

- ♦ Proficiency in spoken English including fluency, pronunciation and vocabulary.
